

Viewing Schedule for 2 Languages with American English

Month 1

The following schedules illustrate two viewings of Your Baby Can Learn! per day with English and Spanish. This schedule is based on focusing on English and also exposing the child to a second language. While we use an S for Spanish for this example, you may substitute any other language. Some parents may want to print this schedule for reference and cross off days as they occur.

Remember, your American English Special Edition Volume 1 DVD contains three versions of the video: Classic, Newer, and Sentences (previously called Update). Volume 2–5 DVDs include Classic and Newer. Vietnamese Special Edition DVDs include Classic and Newer versions. All other languages include only the Newer version of each volume.
